

February 2, 2015

Dear Friend,

Thank you! The initial weeks of the TRFW 100 community endowment program have brought us to nearly 20% of our goal. Our sincere appreciation to new community endowment members for that great start!

Ten Rivers Food Web meanwhile has been actively supporting events we've all come to appreciate; Fill Your Pantry, Terra Madre, and the annual Soil Amendment Sale. This year's Growing Organic Soil Amendment Sale is fully subscribed with delivery scheduled for March 7th.

Additionally, this Spring TRFW is convening meetings in all three counties around the theme of Generational Land Transference. Coordination with stakeholders and partners is well underway. Your input and participation is welcomed as this important new area of TRFW focus further develops.

The TRFW 100 community endowment is an expression of our philosophy rooted in local responsibility and direction for a healthy food system. If you would like to directly impact our food web and show how individuals can make a real difference, few actions would be more effective than to join the 100.

So we invite you to be a part of this mission. One-hundred individuals pledging \$100 per year for 10 years to fund our most basic operational expenses.

Please use the form included or access our web site to join. Finally, thank you for your support in all the forms by which TRFW may then benefit a more healthy local food web.

Sincerely,

Ten Rivers Food Web Board of Directors

Harry MacCormack  
Linda Sebring  
Jessie Malcolm  
Dr. Kyle Homertgen  
John Gentile
